Microsoft Office Mac Add Ins

Apr 05, 2018 All of the add-ins in this article work in Office Online applications.. When you enable an add-in, it adds custom commands and new features to Office programs that help increase your productivity.. To determine if an add-in you want to install will work with other versions of Office, follow the link we included for each add-in to see its description page on Microsoft Office's Add-in Marketplace.. Because add-ins can be used by hackers to do malicious harm to your computer, you can use add-in security settings to change their behavior.
